

Tamarind Cottage

Romance Getaway For Two

(7 night minimum stay required)

20 June - 1 November 2008

The pampering begins long before you arrive, as your first evening's candlelit dinner is prepared. Fresh flowers are gathered from the garden and ingredients are procured in anticipation of your arrival dinner using locally grown produce for the Salad and Freshly Caught Caribbean Fish or Farm Raised Chicken.

Your dining table will be set on the covered verandah where you will be serenaded by the evening crickets, tree frogs and sounds of the sea below, ensuring your holiday package is everything you ever dreamed of.

Whether it is a honeymoon, special anniversary or just the chance to get away together, we will have prepared an enchanting place for you where you can relax unwind and enjoy your time at Tamarind Cottage.
